Tentative Approval Given Apt. Zoning At Frankfort

Multiple housing in Connecticut Hills, a subdivision owned by a A.T. McIntosh Co. north of U.S. 30 in Frankfort, was given tentative approval by the Frankfort village board at its meeting Monday night.

At the board session the builders of the proposed apartment buildings, Crestline Builders, expressed their readiness to sign an agreement to the effect that they would put in sidewalk and curb.

It was believed this agreement would be signed within the next 10 days so that formal action approving the action of the village zoning board of appeals could be taken at the next meeting of the village council, March 16.

A delegation of property owners from the subdivision was present at the meeting Monday night protesting against classifying the lots involved for multiple dwellings.

The property owners also voiced objection to the village board spending public funds to consult a planner relative to advice on where apartments should be built. They said that such action should have been taken long ago, when the subdivision was platted.

The question of multiple housing is a problem facing all suburban communities, it was brought out at a recent meeting of planners, attorneys and municipal officials held in Chicago. Frankfort was represented at that meeting, as was Mokena.

It was agreed that apartment buildings will be erected in the suburbs, the question being as to where they should fit in municipal planning.

Gene Baughman, head of the planning division of Tru Search Inc., Evanston, who was consulted by the Frankfort village board relative to the apartment question, stated that the proposed location was a good one. It is close to the area zoned for business and such an area is always recommended as a site for multiple dwellings.

Baughman also pointed out that the proposed apartment houses are of a design and construction that should be a credit to the community. He declared that in his opinion they would not cause depreciation of the single family homes in the subdivision.

The site is on the south side of the southernmost street in Connecticut Hills and toward the west end of the property. None are to be built on the north side of the street.

Village Clerk Walter Pfaff called the attention of the board to the fact that it was quite difficult to contact anyone with authority on civil defense, relative to the radio equipment that has been installed in the village hall.

A couple of years ago it was decided to establish a radio warning system for the schools of the county so they could be

notified in the event of air raids or disasters. The transmission equipment was installed in the Frankfort village hall with the antenna on top of the water tower. This is said to be the highest point in Will County.

In the past the system was tried daily but for the past 12 days, Pfaff said, there hasn't been a sound out of the radio and he added that as far as he knew there have been no tests made of the equipment for the past nine months.

Ralph Morgan, of Joliet, was formerly civil defense director

for Will county but he has been placed in charge of a region now and if there is a county director his name has not been made known to Frankfort officials. Pfaff called civil defense authorities at Chicago and was told to get in touch with the Will county director. They said they had his name but after looking at their records were obliged to admit they didn't have it.

Pfaff said he hoped there would be no need for the warning system because as of now there didn't appear to be any.

Educator To Tell Of Red Schools At PTA Dinner

Education -- Soviet style, will be described next Thursday evening by Dr. Gus A. Constantine, head of the department of education at North Central college, Naperville, when he addresses the Founders Day banquet of the Eastern

Will County Area Council of the PTA.

The dinner is to be served in the Frankfort Methodist church fellowship hall, Sauk Trail, starting at 6:45 o'clock. The donation is \$2.25 and tickets may be purchased from local PTA presidents and council officers. Music will be provided by the Singing Knights of Lincoln-Way high school under the direction of Tom Olson.

The speaker, it was pointed out by the committee in charge, will be dealing in information at first hand. In 1960 he spent seven weeks in the Soviet Union, visiting 72 schools and observing 27 classrooms. He traveled 13,000 miles inside Russia and talked with students, ordinary citizens and professional people concerning national and international affairs.

Recently Dr. Constantine served the U.S. state department and the Comparative Education Society by visiting Africa where he made a study of the school systems there. His stay in Africa extended over a period of six weeks, including visits in Egypt and Ethiopia. "Since education in Russia and other foreign countries has become a controversial subject," a Council spokesman said "this will be a good opportunity to hear it discussed by a prominent educator. The supply of tickets is limited and we would advise early reservations."

Dr. Constantine is a native of Harvey, N.D. but was raised and educated in the Chicago area. After graduating from Lane Tech his world travels began with his war service. Among the colleges and universities he has attended are, DePaul, Atlantic Christian College, Wilson, N.C., University of North Carolina, Northwestern university and Duke university. Besides heading the department of education at North Central Dr. Constantine is also chairman of the division of social and behavioral sciences at the school.

Second prize was awarded to Roberta Lange for her essay on General Israel Putnam. She received a fountain pen.

In a special category for fifth and sixth graders, David Bills received a fountain pen for his essay "The Many Sides of Thomas Jefferson".

SIX LINCOLN-WAY students will travel to the University of Chicago April 11, to compete in a national German contest. The contest, which is held under the auspices of the American Association of Teachers of German, will consist of an examination which will test aural comprehension, structure, reading, vocabulary and culture. All of these activities will, of course, be in the German language.

Three grand prizes will be awarded in each category on a nation-wide basis, and have been furnished by the Federal Republic of Germany. Top winners in each category from the Northern Illinois area will be invited to the spring meeting of the Chicago Chapter of the AATG for luncheon and to receive their awards.

Second year German students at L-W who will be competing in this contest are: (Starting in front on the left and going clockwise in the photo) Lynn Kubin, New Lenox, Pat DeGries, Mokena, William Pommering, Mokena, Darold Engel, New Lenox, Dale Knapp, Mokena, and Jeanine Hagan, New Lenox. Henry Meier, German teacher at L-W has selected the group and will coach them for the competition.

Must Be Registered To Vote In School Election

Every effort is being made by local school administrators to acquaint people with the change in qualifications for voting in school elections.

A bill that became a law in 1963 makes it necessary to register with the county clerk or his authorized deputy prior to voting in school elections. In the past registration was not required in school elections.

The other qualifications for voting remain the same, namely: a citizen, 21 years of age, and a resident of the state

one year, county 90 days and the school district 30 days.

Registration may be completed up to the day of the election, April 11 at the following places: Summit Hill, Mokena, Cooper and Hostert garage; Frankfort, Ann Rutledge, Frankfort - Schram's Barber Shop; New Lenox, Edith Sayers, Frick Insurance Agency; Manhattan, Manhattan, Tom Riley.

If you are already registered it is not necessary to register again unless you have changed your name or address.

To Elect Three New Lenox School Trustees

Three members will be elected to the New Lenox School District 122 board of education in the election scheduled for Saturday, April 11, 1964.

J. Earl Robinson, Evans Drotts, and Harlow Jensen are members of the Board whose terms of office expire.

Robert Facinelli of New Lenox has filed his petition as a candidate for the forthcoming election.

The new law requires that voters must be registered voters to vote in the school elections. This will be the first school election held in School District 122 under the new school election law requiring voters to be registered.

The polling place for this election will be the Haven School, and the polls will open at 12 noon and close at 7 p.m.

Two Area Residents Die In Automobile Crashes

Two area residents were killed in automobile crashes late last week.

One of the victims was Luke B. Jackson, 31, of 179 W. Wood st., New Lenox. The other was John R. Luft, 37, Bouk motel, Lincoln Estates.

Jackson was traveling south on Cedar road, Saturday night, according to state police, Kenneth Cantile, 22, of 410 Jackson st., Joliet, was going west on U.S. 6. The two cars collided at the intersection. According to witnesses both vehicles left the highway and came to rest in fields.

Jackson who was alone, was thrown out of his car by the impact. He suffered head injuries that were fatal and was pronounced dead on arrival at Silver Cross hospital, Joliet.

Cattle was seriously injured and had cuts about the face and head. A passenger in his car Mary Ann Pomykala, 20, of 511 Francis st., Joliet had severe lacerations about the face and head, a triple fracture of the left arm, a fractured pelvis and possible back injuries. Both are in Silver Cross hospital.

Funeral services for Mr. Jackson were conducted Tuesday afternoon from the Blood and Grant funeral home, 112 Richards st., Joliet, with the Rev. Stanley G. Lane officiating. Burial was in Maplewood cemetery, New Lenox.

A veteran of the Korean War he was a member of the American Legion which officiated at the graveside services. Masonic services were held Monday night by Matteson Lodge No. 175. Mr. Jackson was employed by the UBS Chemical Corp., at Lemont. He was a member of Detroit Masonic

Lodge No. 8.

His wife, Mary Lou Jackson is a teacher in the fifth grade at Oak View school. Also surviving are his mother, Mrs. Mary Inez, two sisters, Mae-fred and Mrs. Richard Davis, and two brothers, William and James Jackson, all of Demopolis, Ala. He had been a resident of New Lenox for the past year.

Luft was killed last Thursday night (Feb. 26) when his car

ran off the pavement on a curve on U.S. 30 about three-quarters of a mile east of Wolf road. The vehicle struck a culvert, rolled over and burst into flames but the fire was out by the time state police could arrive.

The driver, who was alone in the car, was pinned in the wreckage and it was with difficulty that the body was removed. Legs, arms, neck and skull were fractured.

Luft was a licensed horse trainer in Illinois and Kentucky but was a Canadian by birth. The body was sent to Kitchener Ont., Canada, for burial. His mother, Mrs. Gertrude Luft lives there. His wife, Joyce, resides at Lexington Ky.

Preparing For Contests, Tour

Lincoln-Way Band members will be busy musicians during the coming weeks on the schedule director Robert C. Taylor has arranged.

March 14, when a large group of bandmen will compete in the Class "A" State Solo and Ensemble Contest at Bradley-Bourbonnais High School. The following week 19 members of the band enter the annual South-west Suburban Conference Music Festival which will be held at Bremen High School March 19 and 20. A public concert at 8 p.m. in the Bremen gym will climax the festival.

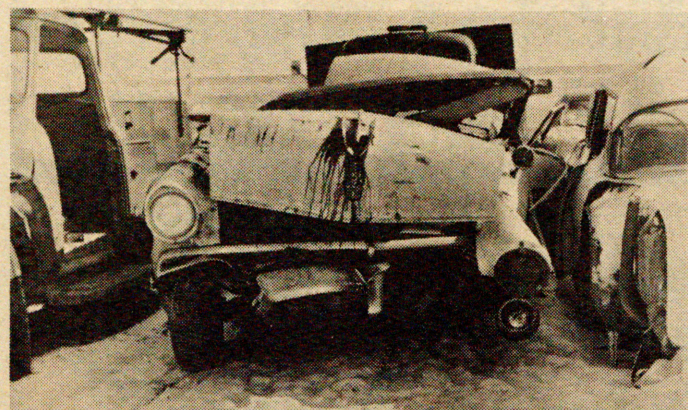

With only the weekend as a "breather", the band will begin a two day tour March 23 of central Illinois that will include four concerts, one an evening concert at Beardstown, and a tour of the U. Of I. campus.

Three weeks later the band returns to Bradley-Bourbonnais to compete in the state band Contest. Here they will try for a third consecutive "Superior" rating, and the music department will aim at the third con-

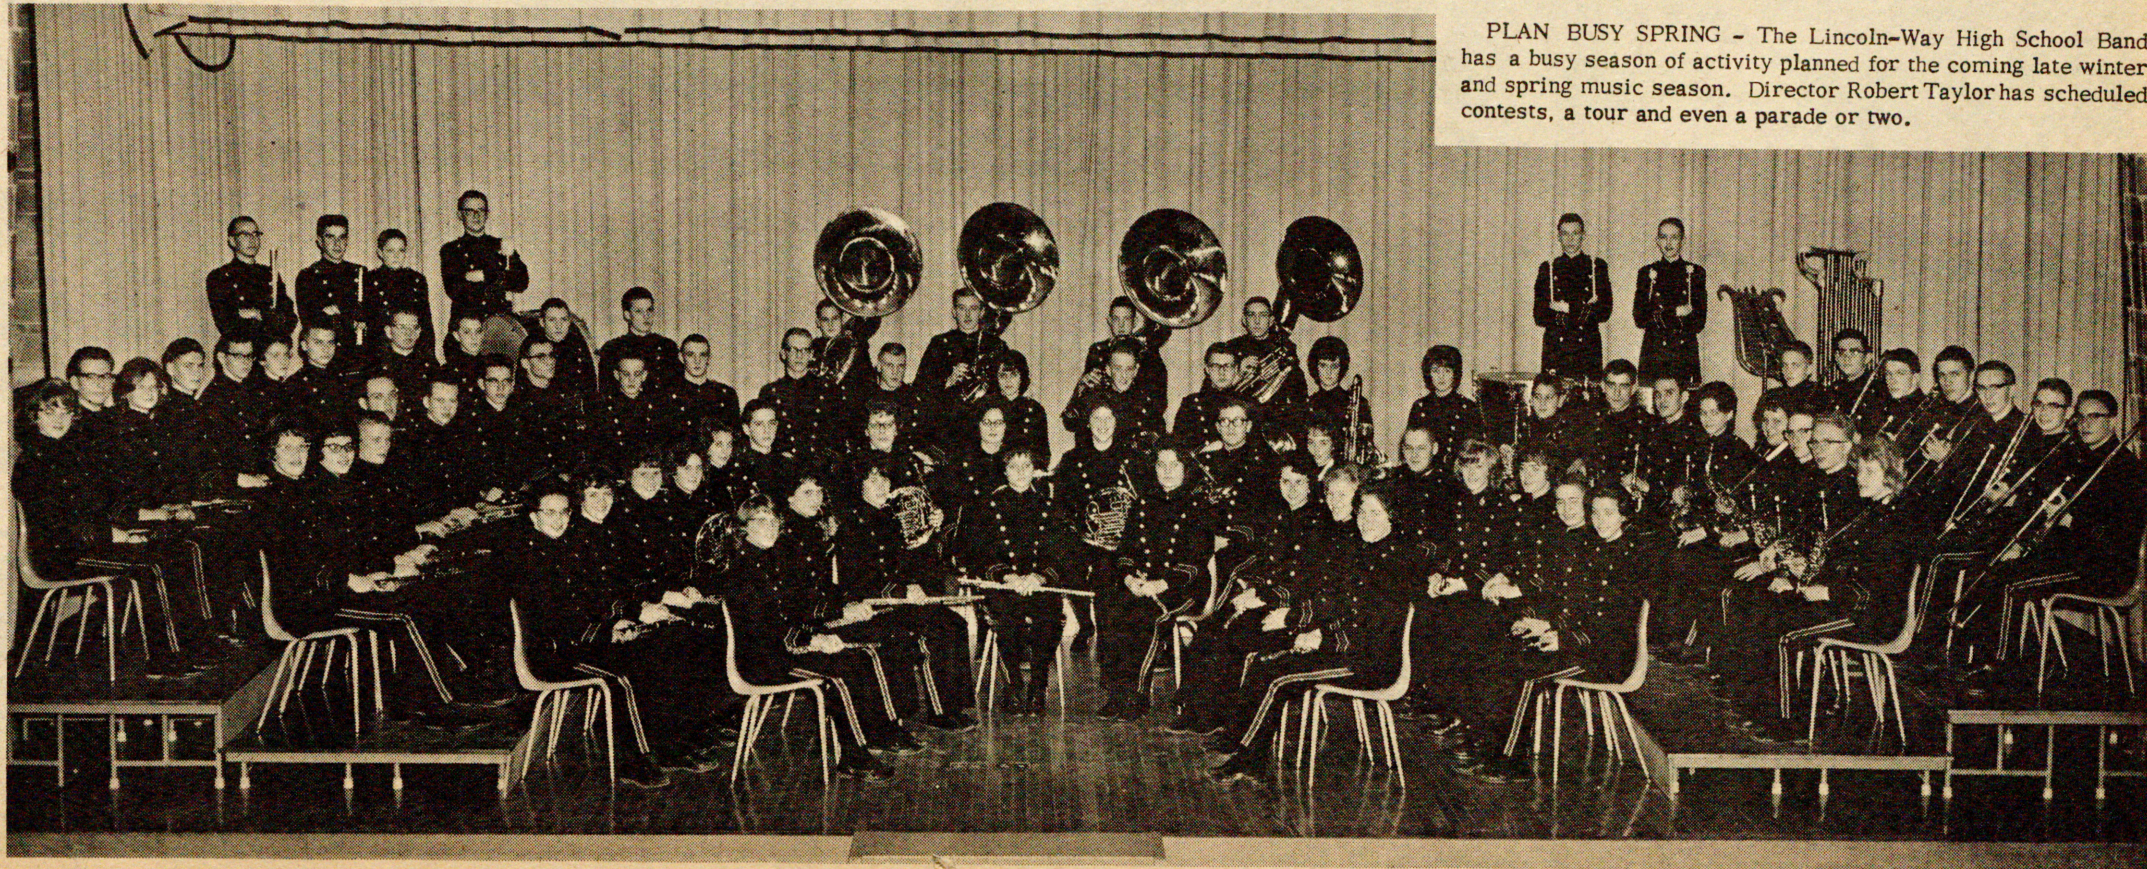

secutive "Sweepstakes" award. The annual Spring Concert May 8 will complete the major items on the busy schedule.

Mixed in with the above dates will be the usual school responsibilities such as an appearance on both the National Honor Induction and Student Council Induction Assemblies, March 20 and April 17 respectively, a V.F.W. assembly program on May 1, Student Honor Assembly May 29, Memorial Day parade May 30, Senior Honor Night June 4, and Graduation June 5. The Lincoln-Way Dance Band will also be busy with several appearances of its own including the annual "Variety Show" on April 3 and 4.

A couple of years ago it was decided to establish a radio warning system for the schools of the county so they could be

The tax reduction legislation which goes into effect almost immediately, is expected to be a considerable stimulus to the economy within weeks.

March issue of Fortune in its Business Roundup column, notes that some top economists who favored the tax cut, suggest that the \$11 billion first stage reduction, taking effect this month, may over-stimulate the economy this year at the expense of 1965.

Some analysts express thought that labor will shortly be asking for, and getting, wage and fringe benefit advances which will be followed by price increases. We might find ourselves getting in the old wage-price spiral.

Some economists who forecast a business slow down in 1964 now believe the tax reduction will keep the economy going at a healthy pace. They believe that if the year-end National Product keeps within the limits forecast by the government, the economy will be strong without the excesses some are expecting.

Spending of tax savings, will be under close scrutiny for some time. Fortune analysts suggest that 15 per cent or more of the savings, will go into cars which last quarter were taking about 5 per cent (\$20 billion) of consumer incomes. If this occurs, car sales are expected to rise from an estimated eight million rate at year end, to close to nine million - including imports. It is noted that this rate could not be maintained indefinitely. A similar situation could occur in new home purchases.

The article notes that spending habits are not easily changed. They do not expect much increase in general food spending and note that this total has only grown about half as fast as total income. Spending on service has been rising at a higher rate than that of income - i.e.: rents, utilities, medical, recreational, educational, etc.

Home goods market is expected to exceed expectations of merchants who look for a 5 per cent increase in 1964. Manufacturers of major appliances show 7 per cent shipment increases. Regular black and white TV sets up 7 per cent and smaller sets showing large demand.

Women's apparel merchants look for a 5 per cent gain over 1963 Easter sales.

The column notes that markets for cosmetics, books, stationery and eye glasses can grow 10 per cent a year altho with interruptions in the rate of growth.

The magazine lists a \$6 billion rise in capital spending and expects the same for much of 1964. The rate is expected to increase in response to the tax cut.

The present capital spending increase is reflecting present profits, but also capital account decisions which were made in 1963 as prompt reaction to the 1963 business upswing.

MR. JOSEPH SAMEK, CHICAGO

"We seriously considered both Pontiac and Chevrolet before picking our Fairlane. It has a very solid, dependable feel to it and holds the road well. The heater is amazing... warms up the car within 3 or 4 blocks."

MISS MARY GRACE, CHICAGO

"My old car was a Chrysler. But my new car is a 1964 Ford. Ford has a great body design this year. I'd call it the best looking car on the market. That goes for the interior too. I'm very pleased with it."

MRS. JOHN FORDHAM, WILMETTE

"We changed from a Chevy to a Ford this year—and we're crazy about it. We like the bucket seats—they're comfortable and make viewing easy. We especially like the overall design and looks of our Ford. A fine car."

Revamp Sunday School Program - To Meet Needs Of Today's Teens

A Sunday School program keyed to meet the spiritual needs of today's teenagers is being conducted at the Tinley Park Church of the Nazarene. It is a team teaching program, aimed at retaining the interest of the young people at an age when dropouts occur and interest in church wanes.

The students and teachers team together in study and discussion of not only the Bible, but also a varied number of topics, ranging from "Teen Dating" to "Communism". The outstanding enrollment increase of the Sunday School will be highlighted in a display

at the International General Assembly of Nazarene churches to be held in June at Portland, Ore.

The teens and teachers demonstrated the program for parents and guests at an open held at the church on Feb. 24. The group is divided into four separate units of freshmen, sophomores, juniors and seniors. All are students at either Tinley Park, Carl Sandburg, or Lincoln-Way High school.

On Wednesday evening, four selected teenagers and a teacher meet to discuss the program for the coming Sunday. The topics are geared for teen interest and paper back books are used as source material, supplemented by audio-visual material and films. The teachers meet once a month to consider and prepare the topics and material. The adult staff consists of Glenn Fischer, a chemistry teacher at Tinley Park High School; Coleman Rogers, principal of a Mokena elementary school; and Miss Ruth Peters, who heads the business department at Bremen High school.

The teachers, students, and the pastor, Rev. Dallas Mucci, are enthusiastic and find the diversified program challenging and helpful.

"The discussions are frank", said Fischer, who is the lead teacher of the adult staff. "These kids are doing an outstanding job in leading discussion groups on their grade level, and it is providing a rich experience of Bible and Christian study for both adults and students."

Rogers, who has taught history, outlined the books used by the teens in a study of Communism. Miss Peters remarked that she is impressed by the maturity of the students in their discussions.

The teens themselves expressed their opinions of the program. Phyllis Johnson, a senior at Tinley Park High school, reported on the annual Scripturama contest. The students participating met on Sunday afternoons to study the Book of Genesis, under the leadership of Mrs. Robert Medcalf. Of the five entered, three made the District team. She remarked that it was a fine way to gain knowledge of the Scriptures.

The church's teen orga-

nization is the T.N.T.'s (Tinley Nazarene Teens). George Matula, a junior college student, who led the group in singing hymns at the open house, also outlined the sports program of basketball during the winter months and the summer baseball programs. "Such activities", he said, "helps bring out kids regularly to Sunday School."

Another member of the church, who is actively interested in the church program, is Dan Caringer, who demonstrated the audio-visual device used to illustrate topics being discussed.

Rev. Mucci, who is well known for his keen interest in young people, feels that this type of Christian education brings persons to the reality of life thru Christ.

Tinley Man Heads Orland Township Percy Group

Frank H. Burke, a Chicago attorney and president of the Tinley Heights Homeowners Association, has been named chairman of the Orland Township Citizens for Percy Committee.

The appointment was announced by Thomas Houser, campaign chairman for Charles H. Percy, Kenilworth industrialist, who is seeking the Republican nomination for governor.

In making the announcement, Houser praised Burke as a "Republican interested in bettering the party." Burke has been an active member of the GOP since 1955.

He has served as the zoning administrator for Tinley Park and is presently chairman of the long range planning commission of Tinley Park.

He and his wife, Elizabeth Ann, live at 16754 S. Oconto, Tinley Park, with their four children: James E. 5; Michael F., 3; Mary C., 2, and Ellen M., two months. Burke is a former vice pre-

sident and director of the Orland Township Regular Republican Organization, and is on the citizen's committee for Republican Congressman Edward Derwinski, of the 4th Congressional District.

Before moving to Tinley Park about three years ago, Burke was a precinct captain in Chicago's 5th Ward. He has been generally active in Republican politics all of his life.

He is a graduate of St. Mary's College, Winona, Minn., in 1955, and of the University of Chicago law school in 1958. He passed his bar exam in 1959 and is a member of St. George Catholic Church.

He is also a member of the St. George Holy Name Society and of the Knights of Columbus.

Burke said of Percy: "I believe his stand on conservative philosophy of the Republican party as adapted to our time is the most sensible and rational approach today and is one that should be put into effect at every level of government."

"Also, I am very impressed with his ability to take a firm stand in issues regardless of the repercussions and I think he typifies the type of personal integrity needed for the new look in politics."

"I believe any man who has shown the ability to be as successful as he has in business is the right man to head the state government."

The chairman asked all citizens who are interested in helping Percy's campaign to call him at his home, 532-3651; or his office, 427-4240 in Chicago.

It's fun to spend money

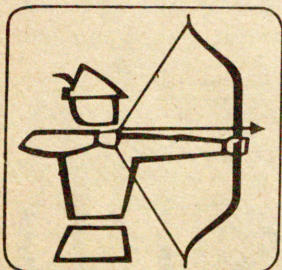

Everyone likes to spend money. And these days we have more wonderful things to spend money on than ever before.

But spending is most fun when you're buying with money that's already yours. Money actually in your possession—or in your savings account.

Yes—it's lots of fun spending money! And it's fun to *save*, too—knowing that in future you *can* spend when you're in the mood to do so.

You'll like saving at Archer-Hoyne—either by mail or in person. It's simple . . . it's safe . . . and you share in association earnings twice each year. Best of all, the money is *yours* when you want to take the family on a spending spree!

Mr. and Mrs. Ed Johnson are parents of a 7 lb. 12 oz. daughter, born Friday Feb. 21 at Silver Cross hospital. The new arrival, Sara Terese, was welcomed home Monday by the Johnsons three other daughters, Laura, 6; Amy, 4; and Beth 2 years old.

The Girl Scout cookie sale this year is being held between Feb. 28 and March 8. The following mothers are chairmen of their troops: Mrs. Almeda Knobloch, troop 230, 485-6473; Mrs. Clara Schram, troop 333, 485-8852; Mrs. Charlotte Shaw, troop 186, 485-5121; and Mrs. Helen Been, troop 375, 1-469-5147.

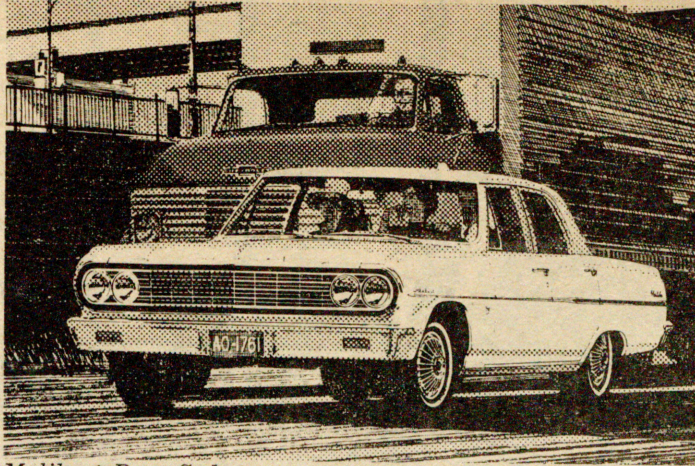

If a girl scout does not stop at your home, you may contact one of the mothers and place your order.

Sandy Oldt, daughter of Mr. and Mrs. Ralph Oldt, and Ann Butler, daughter of Mr. and Mrs. Eugene Butler, arrived home from Eastern university on Saturday to spend a 10-day vacation following their third quarter of study.

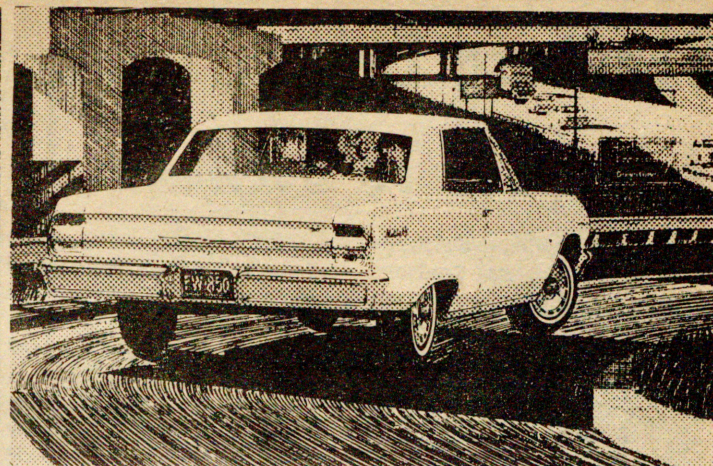

At the meeting Monday night of Girl Scout troop 375, held at the Methodist church in New Lenox, the girls discussed this year's cookie sale, and started work on their posters for girl scout week. Tentative plans are being made for a cook-out to be held Saturday March 14th.

Janet Hammerstein joined Girl scout troop 333 at the meeting Tuesday in Schuyl school. The girls are working on their songster badge. Plans are being made to entertain at the Lincoln Nursing Home in Joliet, which will complete this badge.

Chevelle balanced performance is best!

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Powerglide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options.

Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer!

Sandburg Debate Team Advances To Sectional

It is with high hopes and happy hearts that the Carl Sandburg debaters head into the sectional debate tournament this week (Mar. 7).

Altho last year was the first year that debate was really active at Sandburg, this year's team took first place at the conference debate and dramatics contest at Evergreen Park. The victory assured them of a berth at the sectional tournament on March 7 at Reavis.

If they place at this contest, they will advance into the state tournament in April.

Miss Audrey E. Klein, varsity debate coach, cautioned that "the competition is much more difficult at the sectional. We will meet some of the strongest competition in Illinois there," she said. But, she said that "on the basis of our conference win, we hope to place in it."

The team consists of Karen Kordisch, Betty Palmer, Judy Dain, Paul Zeman and Ken Musil. Miss Kordisch and Miss Palmer, both juniors in their third year of debating, have "shown steady improvement," according to Miss Klein. She called them "the bulwark of the whole team."

Concrete evidence of their value to the debate team takes the form of the three speakers trophies the girls have garnered this year. Miss Kordisch earned two first place awards; one

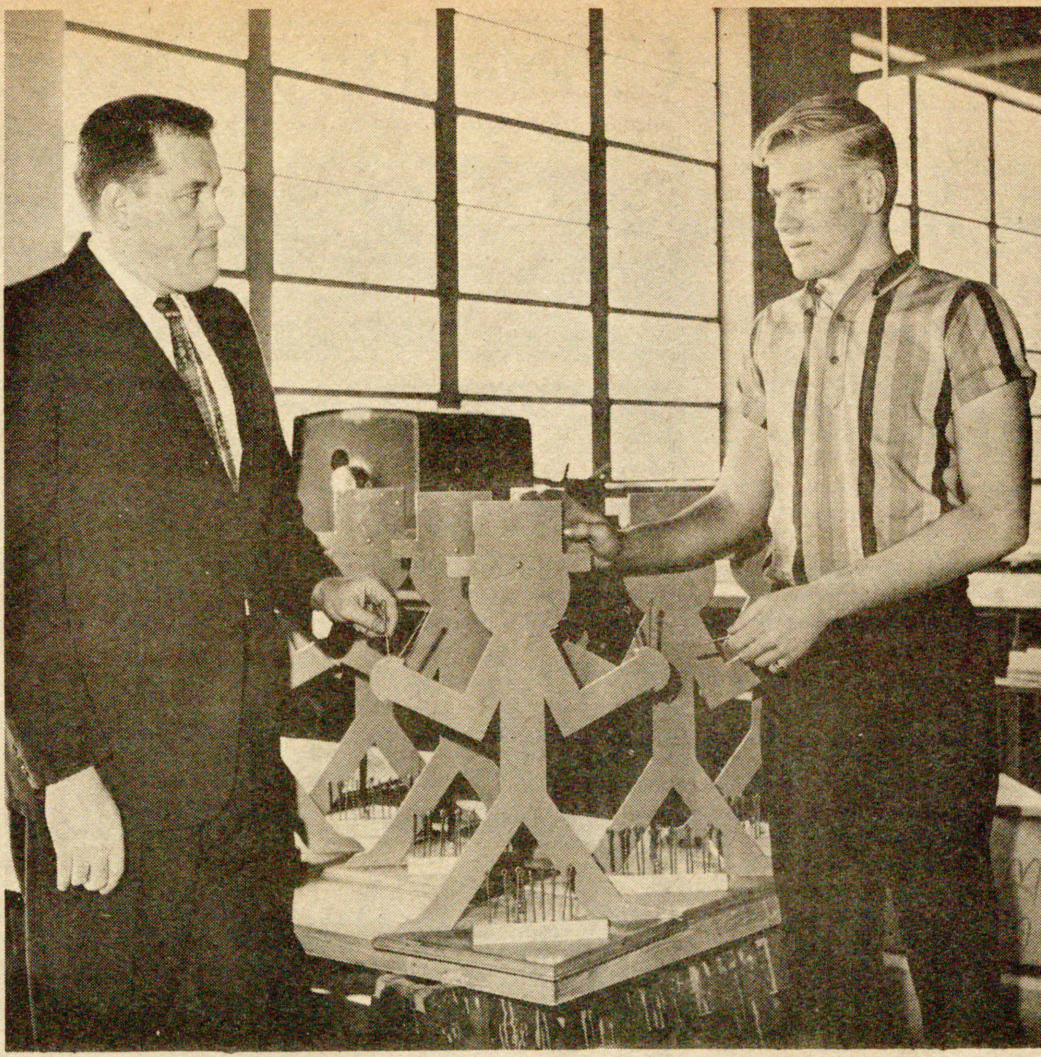

at the Northwestern University Debate Tournament and one at the Lincoln-Douglas Debates at Lincoln-Way. Miss Palmer won a second place speakers award at Lincoln-Way.

Topic to be debated is "Resolved: That social security benefits be extended to include complete medical care for all citizens." This is the topic the teams have debated since Christmas.

For the debaters, the season, which began in November and runs into April, has been both long and exciting. But even after the state contest, debate is not over. Miss Klein and Miss Lu Ann Burgan, sub-varsity coach, are both busy planning for spring debate. Scheduled to begin in mid-April, the teams will turn to a new topic for their discussions.

Miss Klein called the outlook for the next year "real good. We will have several returning debaters and additional tournaments scheduled." Among the returning debaters will be the sub-varsity team members: Ron Young, Jim Danis, Marilyn Jacobs and Dan Haseltine.

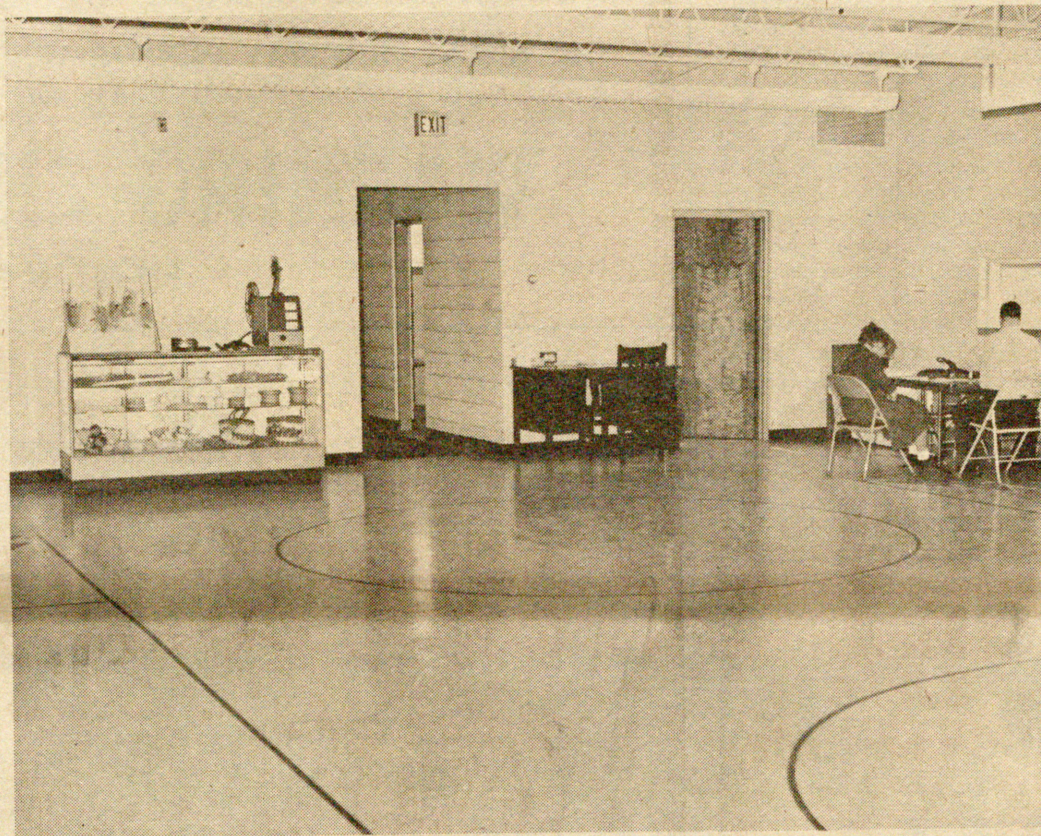

Freshmen should consider debate as one of their activities, Miss Klein said. "It is one of the more promising activities for them to enter," she said. "All active debaters get a chance to compete, not just the top four or five people."

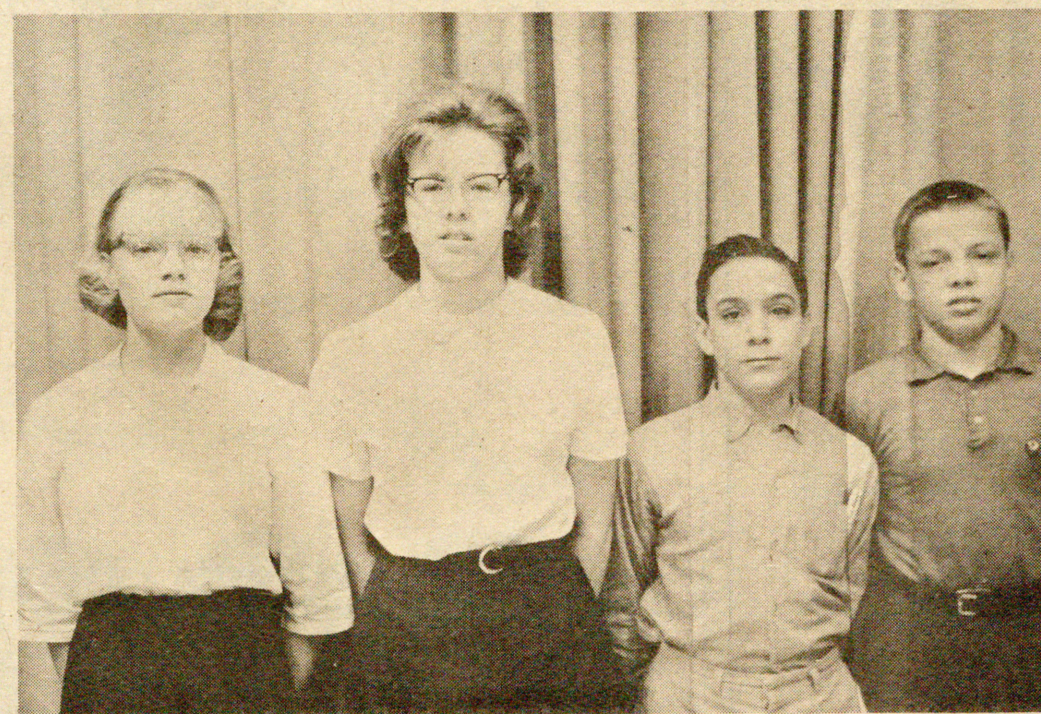

MIKE ROBERSON, Mokena, senior at Lincoln-Way high school, recently presented twelve "Mr. Numbers" to Mokena school superintendent, James Ennis. "Mr. Numbers" is a device which will be used as a teaching aid in the Mokena schools modern mathematics program, and was designed by Mrs. Janet McGivern, a teacher in Mokena.

Besides Mike, other members of the L-W industrial arts class who worked on the project were Van DeLay, Rudy Arnold, Mark Thomas, Joe Wajchert and Ted Welborn. The students worked under the supervision of George Kuehn and completed the project on their own time. Mokena schools had to purchase the materials only, which was a substantial savings to the grade school system.

In accepting the figures Mr. Ennis commented, "The counting man is useful for classroom demonstrations to teach place value, the concepts of borrowing and carrying and a host of other arithmetical techniques. The Mokena School District certainly appreciates the work of these Lincoln-Way high school students in providing the children of Mokena with 12 'Mr. Numbers' for classroom use."

MULTI-PURPOSE ROOM at Trinity school was recently completed and is now in use. This room is of special importance in the vocational teaching for the youths in their late teens. Trinity school, which is operated by private and public subscription — but no tax money — is for the educable mentally handicapped youngsters. The parents put up most of the funds necessary to carry on the project but various groups, such as the Lions club of Mokena, and the Exchange club of Joliet, contribute regularly to its upkeep. The school is to have an open house Sunday, March 8, and the public is invited. The school is located on Gougar road, just south of Francis rd. and across the street from Pilcher park. (Graphic Newspapers photo)

BEST SPELLERS of Carpenter Street School, Mokena, were announced last week following a contest in which 30 pupils participated. The two winners are in the center, Diane Tuttle and David Sylvester. The alternates are Linda Yunker (left) and Kenneth Warning (right). All are in the eighth grade. Diane and David will represent the school in the sectional contest to be held the evening of March 18, which will include all of the public and parochial schools in the Lincoln-Way district. The public is invited. (Graphic Newspapers Photo)

Frankfort's Top Spellers Are Named

Wednesday Feb. 26, the school spelling champions of Frankfort Grade School were chosen. In an oral contest in which each of the three upper grades were allowed four contestants the following champs were named:

Jane Rheinwald, 7th grade; Marilyn Klier, 8th grade; as alternates were Ruth Nordsell, 7th grade and Peggy Nissen, 8th grade.

The semi-finalists from each room were: 6th grade — Arnez Burgh, Dawn Morrison, Marilyn Bormet and Lynne Potts, 7th

Plan Birthday Celebration

American Legionnaires of the Cook County Council are planning special festivities as a part of the world's largest birthday, celebrating the 45th anniversary of the American Legion, March 15-17.

Donald S. Maciejewski of Calumet City, Commander of the Cook County Council, announced that a committee under the co-

chairmanship of Albert J. Swiderski, immediate past commander of the County organization, and Raymond Spano, County Junior Vice Commander, have been appointed to make all arrangements for the birthday observance.

Highlighting the gala anniversary celebration will be a birthday party on the night of Wednesday, March 18, at the Ice Capades at the Chicago Stadium.

Many American Legion posts will devote a portion of their meetings to the birthday observance and hold formal initiation of new members as an appropriate climax to the 1964 membership drive.

County Board Approves Sewage Plant In Orland

The Cook county board has approved a special use permit for water and sewage disposal systems to serve an 89-acre subdivision on the south side of 135th st., east of 88th ave., in the unincorporated area of Orland township.

The permits were issued to Kostas Staponkus, of 2228 71st street, Chicago.

Objections were made by the Laguna Wood Home Owners Association. Members testified before the zoning board of appeals at a hearing conducted last November. They said they fear that the proposed sewage treatment plant would loose offensive odors in the areas, while the installation of a central water system would tend to lower the water level in Laguna Woods.

Laguna Woods lies to the west of the proposed housing

development. Homes are built there on lots of half an acre or larger and range in value from \$25,000 to \$75,000.

Joining with the Laguna Woods objectors were the Meredith Home Owners Association and the Laguna Woods Addition #1 Association whose members voiced similar complaints.

The proposed new subdivision would have smaller lots, it was said, which is the reason for the sewage treatment plant. The developers would install their own well and pump and have an underground and elevated water storage facilities.

From the testimony offered before the zoning board it was indicated that the proposed subdivision could contain 226 homes and that the water and sewage disposal facilities would cost a little under \$100,000.

Sock-hop Set For March 14

Basketball game and sock-hop for adults Saturday, March 14 at 7 p.m. in the Carl Sandburg gym. The first event of the evening will be a basketball game between the seniors and coaches. After the basketball game, the Eagle Booster Club will challenge the faculty in a red hot game of volleyball.

Following the games, a sock-hop will be held for the adults. Admission for the evening will be \$1 for adults and 50¢ for children. Tickets will be available from any Booster member or purchased at the door.

Anyone who purchased tickets for the Eagle Booster dance that was called off due to our presidents death, may use them for this affair. A suitable date could not be established to hold another dance due to conflicting activities in the community.

McNaughton And Ferguson Spark Sandburg Swim Team

BY JOHN HELQUIST

Two of the main factors in the successful swimming season have been Bill McNaughton and Jeff Ferguson, both seniors on the Carl Sandburg swimming squad.

Bill McNaughton is the son of Mrs. William H. McNaughton, 12621, 73 Court, Palos Heights. McNaughton has been swimming the varsity backstroke event since he was a freshman and also competed in football his freshman and sophomore years. Bill not only has become one of the outstanding swimmers in the area, but has competed in the state meet his last two years, an accomplishment not many boys can attain. Besides this Bill was selected as being one of the top 20 high school backstrokers in the nation in the February, 1963 issue of Swimming World Magazine.

Swimming has not been easy for McNaughton for as Robert Grindey, coach of the Carl Sandburg swimming team has said, "The contributing factor of success in swimming is hard work."

For McNaughton it has been twice as hard. He has had to overcome a case of mononucleosis, a disease which weakens the body greatly.

McNaughton first learned of this right before the second meet of the season. The doctors informed him that he would not have the strength to swim for at least eight weeks, but within six weeks he was back in the water starting from scratch.

When McNaughton returned, the season was at the half-way point and all the other swimmers were in top condition. This meant that McNaughton had to work twice as hard to get back into top condition.

And this he did for he went on to win conference title in the 100-yard backstroke, and led off the winning medley relay in the conference meet. Then at the district meet he placed fifth in the backstroke with a time which was under the state qualifying time.

This is quite an accomplishment, for Coach Grindey thought that McNaughton would never be able to get back into top shape but Grindey also stated that if anyone could do it McNaughton would be the one because he is a hard worker and a true athlete.

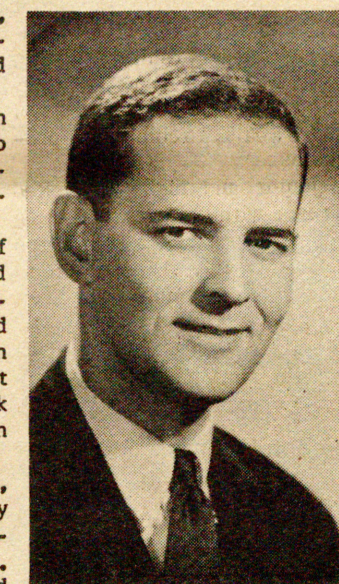

McNaughton attributed his comeback to his love of the sport and the coaching he re-

ceived. He also thought Mike McNaughton his cousin and fellow backstroker was a great help to him, because they would always compete with each other trying to improve their times.

Jeff Ferguson is another reason for Sandburg's swimming success. Ferguson, the son of Mr. and Mrs. Frank Ferguson of 12043, 74th, Palos Park, has been diving in varsity competition for three years.

In that time he has accumulated thirty one victories in dual meet competition. Besides this Ferguson finished fifth in the championship centennial diving meet. More recently he placed fifth in diving competition at the district meet held at Hinsdale high school Feb. 21 and 22. This entitled him to compete in the state meet held at Evanston last Friday and Saturday, (Feb. 28 and 29).

Fergusons real value his past three years at Sandburg has

Benson, As JP, Gets Last Check From County

(CNS) - The County Board last week approved \$329.25 for office expenses incurred by Roy Benson, Orland Justice of the Peace from Dec. 1, 1962, thru Dec. 21, 1963.

Included is \$195 telephone bill, and \$10 monthly rent for the office at 13500 Southwest Highway, Orland Park.

This will be the last expense sheet paid by the county board. Under the blue ballot reform starting Jan. 1, 1964, magistrates no longer receive office expenses.

Palos Heights Wins Zoning Case In Circuit Court

(CNS) - Margaret Duffin has lost her fight against the city of Palos Heights, when Circuit Court Judge Charles S. Dougherty ruled that the city's zoning for the northeast corner of 127th st. and Harlem ave. was constitutional.

Mrs. Duffin intended to erect gasoline service station on the site, but was denied a special use permit by the city zoning board of appeals and city council.

Burglars Try Mayor's Store At Frankfort

Burglars broke the locks on the front and rear doors of the Sangmeister Electric Co. on Kansas st., Frankfort last week-end but apparently were frightened off before they could gain entry.

The attempted break-in was discovered Monday morning when the establishment was opened for business. Mayor George Sangmeister, the owner, was not at the store on Sunday so it is not known whether the burglars called Saturday or Sunday night. There was a heavy fog in the area early Monday morning and it is possible the attempt was made then.

No other attempted burglaries were reported in the village.

course at the Southwest Suburban YMCA, 94th and Knox, in Oak Lawn.

Class will begin Monday, March 9, and will meet from 7 to 9 p.m.

Sessions include a half hour of "slimnastics", proper menu planning, calorie counting, and posture, makeup, and fashion selection to help complement the ladies' new figures.

Gerry Moynahan, instructor, said: "We don't try to break anyone's habits, we just build around their problems." Any ladies interested in losing weight and learning fashion techniques for the spring and summer season are welcome to enroll.

Past members enrolled in the eight week program have lost as much as 24 pounds during the course.

Classes are fun and entertaining as well as educational. All methods used have been tried, tested and proven.

Women wishing to join the eight-week course may do so by phoning the Southwest Suburban Y at Garden 4-8100 or Beverly 3-7333.

CHAMPIONS - The first conference champion sophomore wrestling team from Carl Sandburg high school are (kneeling) Will Hansen, Mike Hursey, George Powers, Richard Fitzpatrick and Al Ivins. Standing are Harry Werner, Gary Vik, Don Maciejewski, and Greg Schelken. The team was undefeated in conference meets and had an over-all season record of 15-1.

The Ann Rutledge PTA will hold their next meeting Monday evening, March 9 at the school. All members, and especially parents are urged to attend.

Election of officers will be held and an open house is scheduled so parents can visit their child's room and see his or her work. This is not to be confused with the teacher-parent conferences that are being held.

The hospitality department is planning something different for this meeting and there is to be a unique door prize, so let's have a good attendance.

The PTA still has a few aprons for sale. A bake sale will be held Saturday, March 14 at the A & A restaurant, 78th and Lincoln Highway beginning at 10 a.m. Anyone wishing to contribute can call Mrs. Robert White at 469-5522 or Mrs. Donald Bushen at 469-5437.

Hostesses at the social hour will be Mrs. Frank Kovar, chairman, assisted by Mrs. Robert McNealy, Mrs. Paul Wilson and Mrs. Charles Scheeler.

Mrs. George Kaehler and Mrs. Emma Geiger were luncheon guests in the home of Mrs. Jennie Russel at Blue Island on Wednesday.

March Red Cross Month But No Drive In Will Co.

A plea for help from a serviceman far from home, an urgent call for aid in disaster, a request for advice in a personal problem -- all these human situations bring Red Cross services to the homes of hundreds of Will County people each year.

March is Red Cross month but this year there will be no drive for funds here. For the first time since Will County chapter was founded in 1917, the organization will stage no campaign for members and funds in March.

Voluntary contributions to Red Cross thru United Crusade in a drive last October are supporting Red Cross services. These include the assistance to men in the armed forces and to veterans and the dependents of both, as well as the many programs developed to meet community needs.

Under its charter, Red Cross must assist servicemen and veterans and their families, helping to process claims for compensation, acting as a link between the man in uniform and his home and furnishing temporary financial aid when military allotments are delayed. Disaster relief and rehabilitation also are "must" services of Red Cross.

Mrs. Emereth Boyden spent a few days in the home of her sister Mrs. Frieda Whitaker at Chesteron, Ind. while Mrs. Whitaker was in the hospital.

Mr. and Mrs. Al Swatek Sr. and Mr. and Mrs. Howard Bluth and sons were guests of the formers son, Mr. and Mrs. Al Swatek Jr. and family at Griffith, Ind. on Sunday to help the younger Swatek celebrate his birthday.

Emil Groth entered St. James hospital on Tuesday and underwent major surgery on Wednesday. He is doing as well as can be expected.

There are three vacancies on the school board of Ann Rutledge school. Petitions may be gotten from Mrs. George Kaehler and must be turned in by noon, March 21.

FAI-80 Key To Cut Cultural, Commercial Future

(EDITOR'S NOTE: This is the second part of an article written by Dr. Harold M. Mayer, University of Chicago, noted geographer and planner, who has been retained by the Lincoln-Way high school board as advisor for a site for a proposed new high school. The third part will be published next week.)

BY DR. HAROLD M. MAYER
SIGNIFICANCE OF FAI 80. Not only will the construction of the new highway link put the area on a direct transcontinental express highway, but it will also link it with the major needs of employment, recreation, and culture in metropolitan Chicago.

FAI 80 will intersect the southwest leg of the Dan Ryan Expressway, just east of the district, thereby creating a new and very direct expressway route to downtown Chicago, reducing the travel time by as much as one-third to one-half. It will then be possible to drive directly to downtown Chicago without an intersection or a stop-light at legal speeds of 60 or 65 mph. Joliet, with its employment potentials, will be not more than five or six minutes from the district, and downtown Chicago only a half-hour away.

The Calumet district of south Chicago and northwestern Indiana will be directly accessible by expressway in a few minutes. Those areas together constitute the largest steel-producing district in the world, with new steel plants and expanded plants under construction or announced which will further increase the productivity by at least 50 per cent in the next few years.

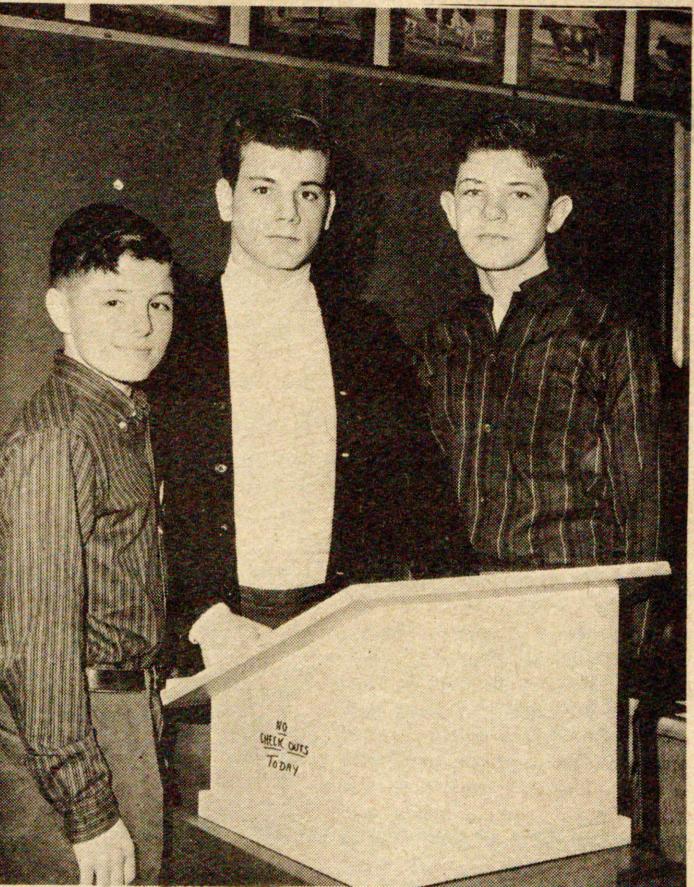

The major ports of metropolitan Chicago, together constituting the largest inland port complex in the world, will be directly accessible from the district over expressways within a few minutes. These include Lake Calumet Harbor, the harbors at South Chicago, Indiana Harbor, Buffington Harbor and Gary Harbor, as well as the proposed Burns Harbor which may be constructed east of Gary. These harbors are the terminal of the St. Lawrence Seaway-Great Lakes route, the southwesternmost penetration of the route into the productive heart of the continent. In addition, Lake Calumet Harbor is the major terminal of the Calumet-Sag Route, the principal barge connection between the Great Lakes and the entire Mississippi Valley as well as, through transshipment at Gulf ports, the saltwater ports of the world. The Calumet district, a few minutes from the Lincoln-Way district on the new expressway, is the only place where the two great inland waterways of North America meet. The Calumet-Sag channel enlargement will be completed in 1966, permitting unrestricted navigation by the largest barges operating on the inland waterway system.

In addition, Joliet is a major barge port on the Lakes-to-Gulf waterway system, and is the headquarters of one of the largest barge operators on that system. It has its own port authority, and is developing as a significant point on the barge system. With the new expressway, the Lincoln-Way District becomes, practically, a part of the port area of Joliet, as well

as of Chicago, and, on shipments to or from points on the inland waterways south and west, nearly a full day will be saved by use of the Port of Joliet for potential industrial establishments in the Lincoln-Way district.

The new highway link will also make the district directly accessible by all-expressway routes with other major centers of employment north and west of Chicago, because of its connection to the Tri-State Tollway. Industrial centers in the western suburbs will be a few minutes away, as will also be Chicago - O'Hare International Airport, the busiest airport in the world.

PROSPECTIVE GROWTH. Projections by many interested agencies, including national, state and local planning agencies, utility companies, and others concerned with future levels of population and economic activity, indicate that metropolitan Chicago will hold its relative position among the great metropolitan areas for the next several decades. Because of the generally rapid expansion of population, it may be expected to increase by at least as many people annually in the next decade as in the past decade. Between 1950 and 1960 the metropolitan area increased its population by 21.6 per cent, as compared with the national increase of 18.5 per cent and the increase in the East North Central states of 19.2 per cent. Thus the metropolitan area had a rate of increase slightly above that for the nation as a whole and above that for the surrounding states. This was accomplished by an increase within the metropolitan area of 1,208,000 during the decade, or slightly over 120 thousand EACH YEAR. In other words, the metropolitan area each year added to its population a number approximately

Hints For Homeowners

BY: JAMES FIZZELL,
COOK COUNTY ASSOC.
FARM ADVISER
Since we have very little snow in most of this area, fertilizer can easily be applied to trees, shrubs and lawns now. Fertilizing now will make the fertilizer readily available when spring growth begins. In this way plants can use it most effectively.

SHADE TREES: Most home gardeners find dry fertilizer easier to use for shade trees than liquid fertilizers. Although the liquid materials are just as effective, if not more so, most home owners lack the equipment necessary to use them. To get the best use of dry fertilizers, place them in the ground instead of broadcasting them on the surface. With a soil auger or pipe, dig holes about one foot deep around the tree. Begin the holes about two feet from the trunk, and space them about two and one-half feet apart until they extend two feet beyond the branch spread.

The amount of fertilizer to apply depends on the diameter of the tree trunk. For trees with trunks less than three inches across, apply 1 1/2 pounds of 10-10-10 for every inch. For trees with trunks three inches or more in diameter, apply three pounds of 10-10-10 for every inch.

For example, a tree whose trunk is three inches in diameter would require nine pounds of fertilizer, placed equally in the holes under the trees.

ORNAMENTAL SHRUBS: Liquid fertilizer is best for ornamental shrubs because it is readily available to the plant. But, again, most home owners lack the equipment necessary to use it. So contact any nursery or lawn service for a cost estimate.

EVERGREENS: To fertilize evergreens, apply two pounds of 10-10-10 for every 100 square feet of surface under the trees. Or contact a commercial firm to apply liquid material.

FRUIT TREES: If fruit trees are growing in the lawn, place the fertilizer in the soil. Follow the same procedure recommended for shade trees. But if there is no grass under the trees, broadcast the fertilizer instead.

How much fertilizer to use depends on the tree age. Here's an easy rule-of-thumb to follow: 1 - 5 years of age; 4 pounds of 10-10-10 per tree; 5 - 10 years of age; 9 pounds of 10-10-10 per tree; 10 - 20 years of age; 15 pounds of 10-10-10 per tree; 20 plus years of age; 21 pounds of 10-10-10 per tree.

LAWNS: For every 1,000 square feet of lawn, apply up to 20 pounds of 10-8-6 or 10-10-10.

(For gardeners who are not familiar with fertilizer terms, 10-10-10 and 10-8-6 represent the percentage of nitrogen, phosphorus and potash, respectively, contained in the bag.)

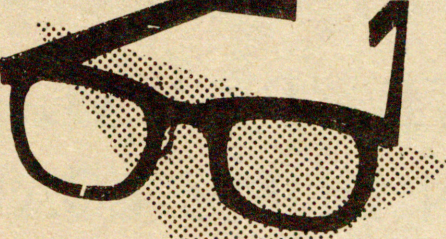

Workman Sues Genl. Contractor For \$100,000

(CNS) - An accident at the building site at 95th St. and Western Ave., Evergreen Park on April 18, 1962, has led to a \$100,000 suit in circuit court.

Arthur E. Malay, 31, of 4111 W. Kamerling, Chicago, who filed the suit, fell thru an opening in the roof, suffering fractures of his left arm, shoulder and leg. According to Attorney John J. Sullivan, Malay, who worked for a sub-contractor, was in traction 15 weeks in Little Company of Mary hospital in Evergreen Park.

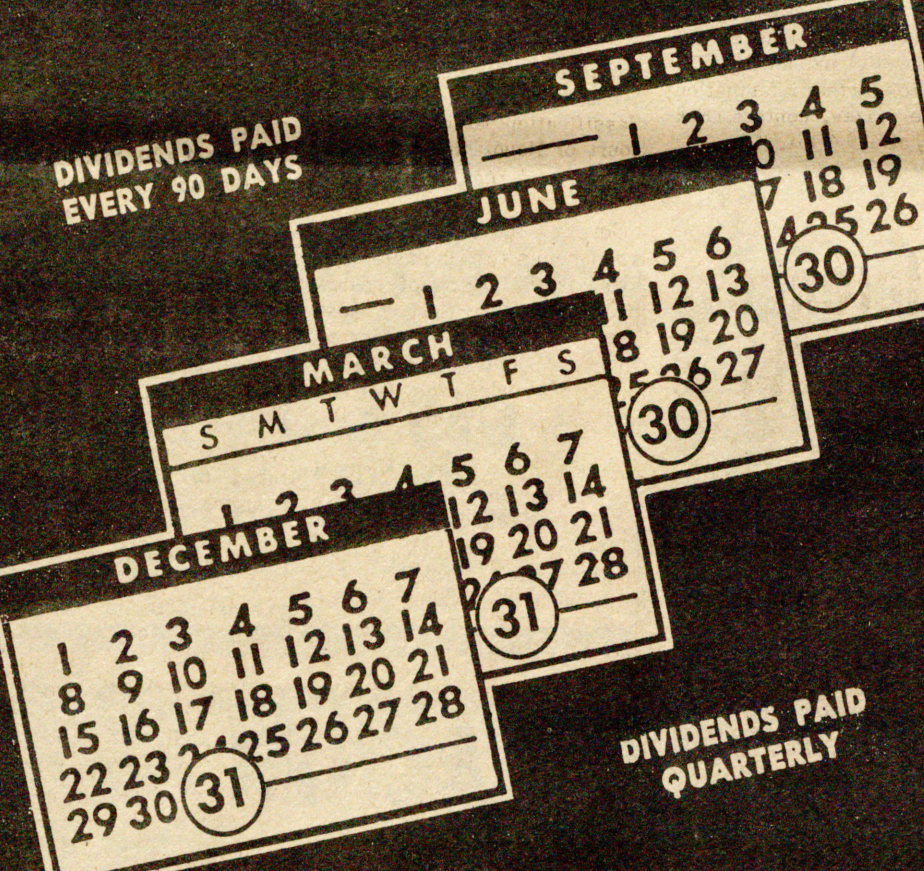

Named as defendant was George A. Fuller Co., general contractor, office at 208 LaSalle St., Chicago.

Registration Date For Kindergarten Is April 1

MRS. EDWARD HOVI
479-5740

Due to an error in printing, the registration date for kindergarten was given as April 11. The correct date is April 1. The First Nighters will have their meeting for March at the home of Mrs. Ann Maschmeyer of 9526 West Rosewood Lane, tonight, Thursday, March 5, starting at 8 p.m.

The Arbury Hills Baby Sitters Cooperative will have their secretary's book change hands from Mrs. Jack Cook, who had acted as secretary for February, to Mrs. Charles Waller, who will act as secretary for March.

Any member who needs a sitter after Wednesday, March 4 should contact Mrs. Waller at 479-5006 at least twenty-four hours in advance of the time needed.

In addition, any woman in Arbury Hills who would be interested in joining the group, should also contact Mrs. Waller for further particulars.

The Summit Hills Boy Scout Troop number 10 will hold their regular monthly newspaper drive Saturday morning, March 7. Anyone who has newspaper, magazines, or other paper to contribute to this collection is asked to bundle it in some manner and leave it either at the garage door or at the front door, NOT at the curb, since it would interfere with the garbage collection which also takes place on Saturday morning.

If you do not have rope to bundle your donation, loose papers can successfully be contained in a shopping bag, and thereby prevent them from blowing about the neighborhood. The donations should be ready for collection before 9 a.m. The proceeds from these monthly newspaper drives are being used by the boy scout troop to purchase needed equipment for the troop.

The Summit Hill P.T.G. will hold its regular monthly meeting at the school Thursday, March 13, starting at 8 p.m.

Following the business meeting there will be a program presented by David Kmet, the physical education teacher at the school.

The Bingo club will hold its regular monthly meeting on Tuesday, March 10 at 8 p.m. in the home of Mrs. Frank Louis of 19530 South Poplar Ave. Brownie Scout Troop 332 and 334 and Junior Scout Troop 103 all of Arbury Hills; and Cadette Scout Troop 76 of Mokena, will all participate in a special program commemorating Girl Scout Week.

The program will be held in the Arbury Hills all-purpose room on Tuesday, March 10, at 4 p.m. The families of all the girls, as well as anyone else interested in the Girl Scout movement, is invited to attend the program.

Junior Scout Troop Number 103 have been canvassing the area in order to sell girl scout cookies. The cookies sale is under the chairmanship of Mrs. Evelyn Crowder of 9448 West Birch avenue. If you were not contacted by one of the girl scouts during the period of February 28 through March 7, and would like to place your order for cookies, please contact Mrs. Crowder at 479-5779.

St. Mary church Mokena will hold its spring frolic dinner dance at Valley View Farm restaurant on Route 30, on Sunday evening, April 5.

As has been customary in previous such affairs the cost will be \$5 per person, which will include buffet dinner from 7 to 10 p.m.

There will be a cocktail hour from 6 p.m. until 7 p.m.

The person in charge of selling the tickets in Arbury Hills is Les Daniels of 19512 South Walnut ave., 479-5035.

The Arbury Hills boys baseball league will hold its regular monthly meeting at the school on Tuesday, March 10, at 8 p.m.

At present the league is preparing for a fund raising dance at the Goodings Grove Hall on 143rd Street, four miles west of Route 45. The date set for the dance is April 11, a Saturday. The charge is \$1.50 per person.

There will be two special prizes awarded at the dance, a portable TV and an AM-FM Radio. For further information about the prizes, contact Dick Prather, at 479-3451.

L-W Loses Conference Final, Regional Opener

BY GREGG FANT

The Lincoln-Way Knights wound up its conference season in basketball last Friday night with Rich East as its foe. Lincoln-Way has had its poorest season in basketball, winning but two games in the Southwest Suburban conference and losing 12.

It continued its losing streak in the regional tournament at Joliet Monday night, bowing to Catholic high 61 to 43. Lincoln-Way fans, however, can take a crumb of comfort, however, from the fact that the Knights were in fast company on their last two outs.

Rich East finished second in the SSW standings, with 12 victories and two defeats. Winner of the conference title was Homewood-Flossmoor, with 13 wins and one loss.

Lincoln-Way put up a good defense against Rich and it was not until the final quarter that Rich made it. Rich's Bill Lewis was high point man for the

night with 10 baskets and two free tosses for a total of 22. George Jorgenson was top scorer for Lincoln-Way with 16 points, seven buckets and two free throws.

In the regional tourney at Joliet Lincoln-Way was unfortunate enough to draw Catholic high for its first game. The Joliet team was champion of the Catholic conference and has been playing well.

Providence high school, of New Lenox, fell victim to Lockport, 71 to 38. It was the Porters 23rd win as against four set-backs for the season.

Homewood - Flossmoor is also in the Joliet regional and was to play Lockport West Tuesday night while Joliet high school took on Tinley Park. Because of the mechanics of the situation it is impossible to carry the results of the Tuesday night games in this issue but sports forecasters picked Homewood - Flossmoor and Joliet to win those games.

SHIRLEY ZARSE, (Center) a junior at Lincoln-Way high school, won the girl's free throw contest there, and so is presented a trophy. There were 25 finalists who shot 20 free throws. Pat Badten and Shirley Zarse both made 12 out of 20. They each shot 10 more to decide the winner and Shirley won with seven while Pat ended up as runner-up with five. The trophy was awarded by Miss Linda Brady (right) and Miss Barb Federmann (left) of the L-W girls' physical education department. The contest was open to every girl in the high school. Orland Park

14 Members Of Orland Boy Scout Troup Advance

MRS. LILLIAN KNOX
FI 9-0211

The board of review of the Boy Scout committee of Troop 318, Orland Park, met Monday evening, Feb. 24, at the Orland Park grade school to pass on advancement qualifications of 14 boys.

Joseph Kaiser, neighborhood commissioner, introduced the boys to the board of review.

Gary Reed and William Rietveld advanced from second class to first class status.

Twelve boys advanced from tenderfoot to second class. They were: Martin Rafacz, John Nerren, David Bowman, John Frantz, Tim Hoffman, Bruce Alroth, Edward Gabel, Andrew Rafacz, Billy McKinley, Dick Searls, John Cosentino, and Kenneth Taylor.

The boys will receive their classification patches at a troop Court of Honor to be held for parents and Scouts in the near future.

Several fathers helped the troop committee interview the boys at the board of review meeting: Harry Barbee, Rosy Cosentino, Gordon Nerren, Chuck McKinley, Les Frantz, Del Gabel, Bob Lewis, William Rietveld, and Jim Somerville.

On Saturday, March 7 from 1 to 3 p.m., the monthly movie will be shown in the Orland Center gym. The film will be a Jerry Lewis comedy - "At War With the Army." Refreshments will be available. The admission price has been reduced to 25 cents.

The Esther Circle of the WSCS will meet a week earlier this month on March 19. The place will be announced next week. Members keep this date in mind.

The cancer dressing group will meet in Wesley hall of the Methodist church, Wednesday, March 11 at 10 a.m. Those planning to stay for the luncheon period, are asked to bring a sandwich, hostesses will serve coffee and dessert. Guests are welcome.

NOTICE OF PUBLIC HEARING ON AMENDMENTS TO THE ZONING ORDINANCE OF THE VILLAGE OF MOKENA, ILLINOIS

NOTICE is hereby given you that on the 5th day of March, 1964, at the hour of 8:00 P.M., in the Mokena Public School at Carpenter and Division Streets, Mokena, Illinois there will be held a public hearing on the question of amending the zoning ordinance of the Village of Mokena, Illinois; (Ordinance No. 312 adopted September 3, 1940) proposed amended zoning ordinance and map for said Village prepared by the Zoning Map & Ordinance Commission of the Village, at which time and place all persons interested will be afforded an opportunity to be heard.

Copies of the proposed amended ordinance are on file in the office of the Village Clerk at 19333 So. Wolf Rd., Mokena, Illinois, and at the Village Hall, and are accessible for examination by any interested person.

"BILL" BARR SPEAKS ON CAMPAIGN ISSUES!

Lights Out Economy?

(GOP Congressional Candidate William G. "Bill" Barr continues with frank discussions concerning specific issues confronting the voters at the April 14 Primary Election.)

"President Lyndon B. Johnson, perhaps the greatest political manipulator of all times, has made a great effort to convince the American public that he is an econ. my minded President. Reams of newspaper copy make great issue of the fact that he turns out the lights at the White House every night."

"Since convening in January, the Congress of the United States, controlled by Democrats, has also tried to present an economy minded image."

"But these do not substantiate the sudden Democratic claims of governmental frugality!"

"Much has been said about President Johnson's budget request of \$97.9 BILLION for the fiscal year 1964-65. The administration proudly claims that this is a reduction of \$500 million over the last budget request."

What they fail to point out, and what is kept from the public, is the fact that Congress only authorized \$95 BILLION in expenditures to the previous administration.

In reality, the Johnson request is an increase of \$2.9 BILLION more than his predecessor received. Is this Economy?

It is vitally necessary for President Johnson to push this inflated federal budget down the throat of Congress if he is going to maintain high deficit spending levels and continue with his domestic policy of being all things to all people.

The American people are not interested in President Johnson's welfare legislation.

In making a great election year issue out of his tax reduction, President Johnson is practicing financial chicanery. How many people realize that our national debt is increasing at the rate of \$7 BILLION a year... that we are now approaching a national debt of \$309 BILLION... that the ceiling on the national debt is \$315 BILLION.

It is only economic sense to realize that a business, and government is perhaps the biggest business of all, can not lose \$11.5 BILLION in annual cash

flow and continue to spend at a deficit rate of \$7 BILLION. The \$11.5 BILLION tax cut is merely an election year technique aimed toward buying Democratic votes in November.

Soon after November, if the Democrats continue in office, we will hear an administration plea for more revenue. The only place governmental revenue can be acquired is from you... the taxpayer.

I like most positive thinking Republicans, favor a tax reduction, both corporate and personal. But such a tax reduction must be accompanied by a proportionate cut in federal spending.

On the positive side, we can reduce federal expenditures, and we can provide a permanent tax reduction that will stimulate our economy. Listed below are five federal programs and the cost of the programs to the taxpayer.

1. Accelerated Public Works. (That's W. P. A. if you reverse the order of the words). Program cost, \$1 BILLION a year.

2. Federal Urban Renewal Program cost, \$2 BILLION a year.

3. Public Transportation Act. Program cost, \$8 BILLION over five years.

4. Area Redevelopment Program cost, \$2 BILLION a year.

5. Foreign Aid. Program cost \$3 BILLION a year.

Consider these programs and ask yourselves these questions:

1. Are they federal responsibilities?

2. Would their curtailment hurt our economy?

3. Could they be better accomplished by private capital and free enterprise?

The answers are obvious. Eliminate the four domestic programs, and strongly curtail foreign aid and we could have a balanced budget. We could have a permanent tax reduction. Our economy could be stimulated through increased spending power on the part of our people.

What is the Answer?

The answer is to elect positive Republicans at every governmental level, local, county, state and national. The answer is for the American people to reject creeping socialism that the Democrats would force on them.

(Next week, Bill Barr will continue with his discussion of issues.)

The Positive Republican

Mr. Cooke was a Freemason, Shriner's Lodge, a Son of the Revolution, a member of the Presbyterian church. He served in the navy in active combat in the Pacific area during World War II. He was 64 years of age.

HOMER NEWS

BY ELIZABETH ANDERSON

Three persons are circulating petitions for a place on the board of Homer Consolidated School. Two places are to be filled at the annual election on April 11. The present incumbents whose terms expire this year are Ralph Reter and Vern Bond; they will seek re-election, and Mrs. Joseph Petarek will also be in the race. The deadline for filing petitions is March 21.

Brandon Kostelny, Rte. 7, was the winner of the spelling match at Homer School last Tuesday evening. Craig Jordan was second and will be the alternate for the sectional match.

At the meeting of the Missionary Society at Homer Church Thursday, final arrangements were made to sell lunch at two sales Saturday, at the Wrey White home and also at the Weber farm on Lincoln Highway. On March 7, the women will serve at the McNally sale on Francis Rd.

An effective Lenten meditation was prepared by Mrs. Stanley Cox and presented by Mrs. Jerome Paddock. Delicious refreshments were served by Mrs. Otto Moravec and Mrs. Wm. Platt.

The group voted to increase their donation to Homer Church budget by \$100 for the current year. They also voted to donate a blanket for the drive sponsored by United Church Women for overseas relief.

The proceeds from the McNally sale will go directly to the church budget with all Homer church women cooperating in furnishing food for the lunch.

Mr. and Mrs. Robert Shepherd, Sr., have moved to their new home north of Lockport, on Woodbrook Lane. Mrs. Shepherd has been ill with a cold during the past week.

Mrs. Roy Voight, formerly of Homer and the mother of Mrs. Wrey White, is seriously ill at the Johnson Nursing Home in Joliet where she has been a resident for several years.

Rev. Stanley Cox spent two days last week at Lake Bloomington where he attended a short

course for camp counselors. Mrs. Cox attended a meeting for Will county Ministers' wives at the Church of God in Joliet last Tuesday. Favorite hobbies were discussed.

James H. Weeks, Jr., 29, of Rte. 7, near Parker Rd., died in St. Joseph's hospital Wednesday, Feb. 26, following a siege of poor health. Funeral services were Friday morning from the Goodale Funeral Home to St. Dennis Church with burial in Resurrection Cemetery.

Born in Joliet March 23, 1934 he has lived in Homer for the past 14 years. He was an employee of Caterpillar Tractor Co. and a member of Lockport Lodge Loyal Order of Moose.

Surviving him are his wife, Gloria (nee Reiter); two daughters, Denise, and Deborah; two sons, Michael and James III; his parents, Mr. and Mrs. James Weeks, Sr. of Lemont two sisters, Mrs. Harry Nowakowski of Westmont and Miss Dorothy Weeks of Lemont; two brothers, Walter of Lockport and Edwin of Lemont; and two nieces.

Homer was well represented at the annual banquet of the Lockport High F.F.A. chapter held at the school Thursday evening. A pot-luck dinner was enjoyed preceding the program. The United Lenten service on the evening of March 8 will be at Zion Lutheran Church with the Rev. George Moulthrop preaching. All Lockport area Protestants are cordially invited to attend these very worthwhile meetings.

Tragedy struck the 143rd St. area Thursday evening when James McNamara of Dixon Lane near 143rd, was fatally shot by his brother-in-law Richard Freiheit of Lemont. The shooting is said to have been the culmination of a long-standing family feud. They have lived here only a few years. Mr. McNamara was the father of six young children, two of whom are members of local Scout troops. His wife also survives. Funeral services were held in Chicago on Monday with burial in Lockport.

NI-Gas, Jaycees Sponsor Area Program

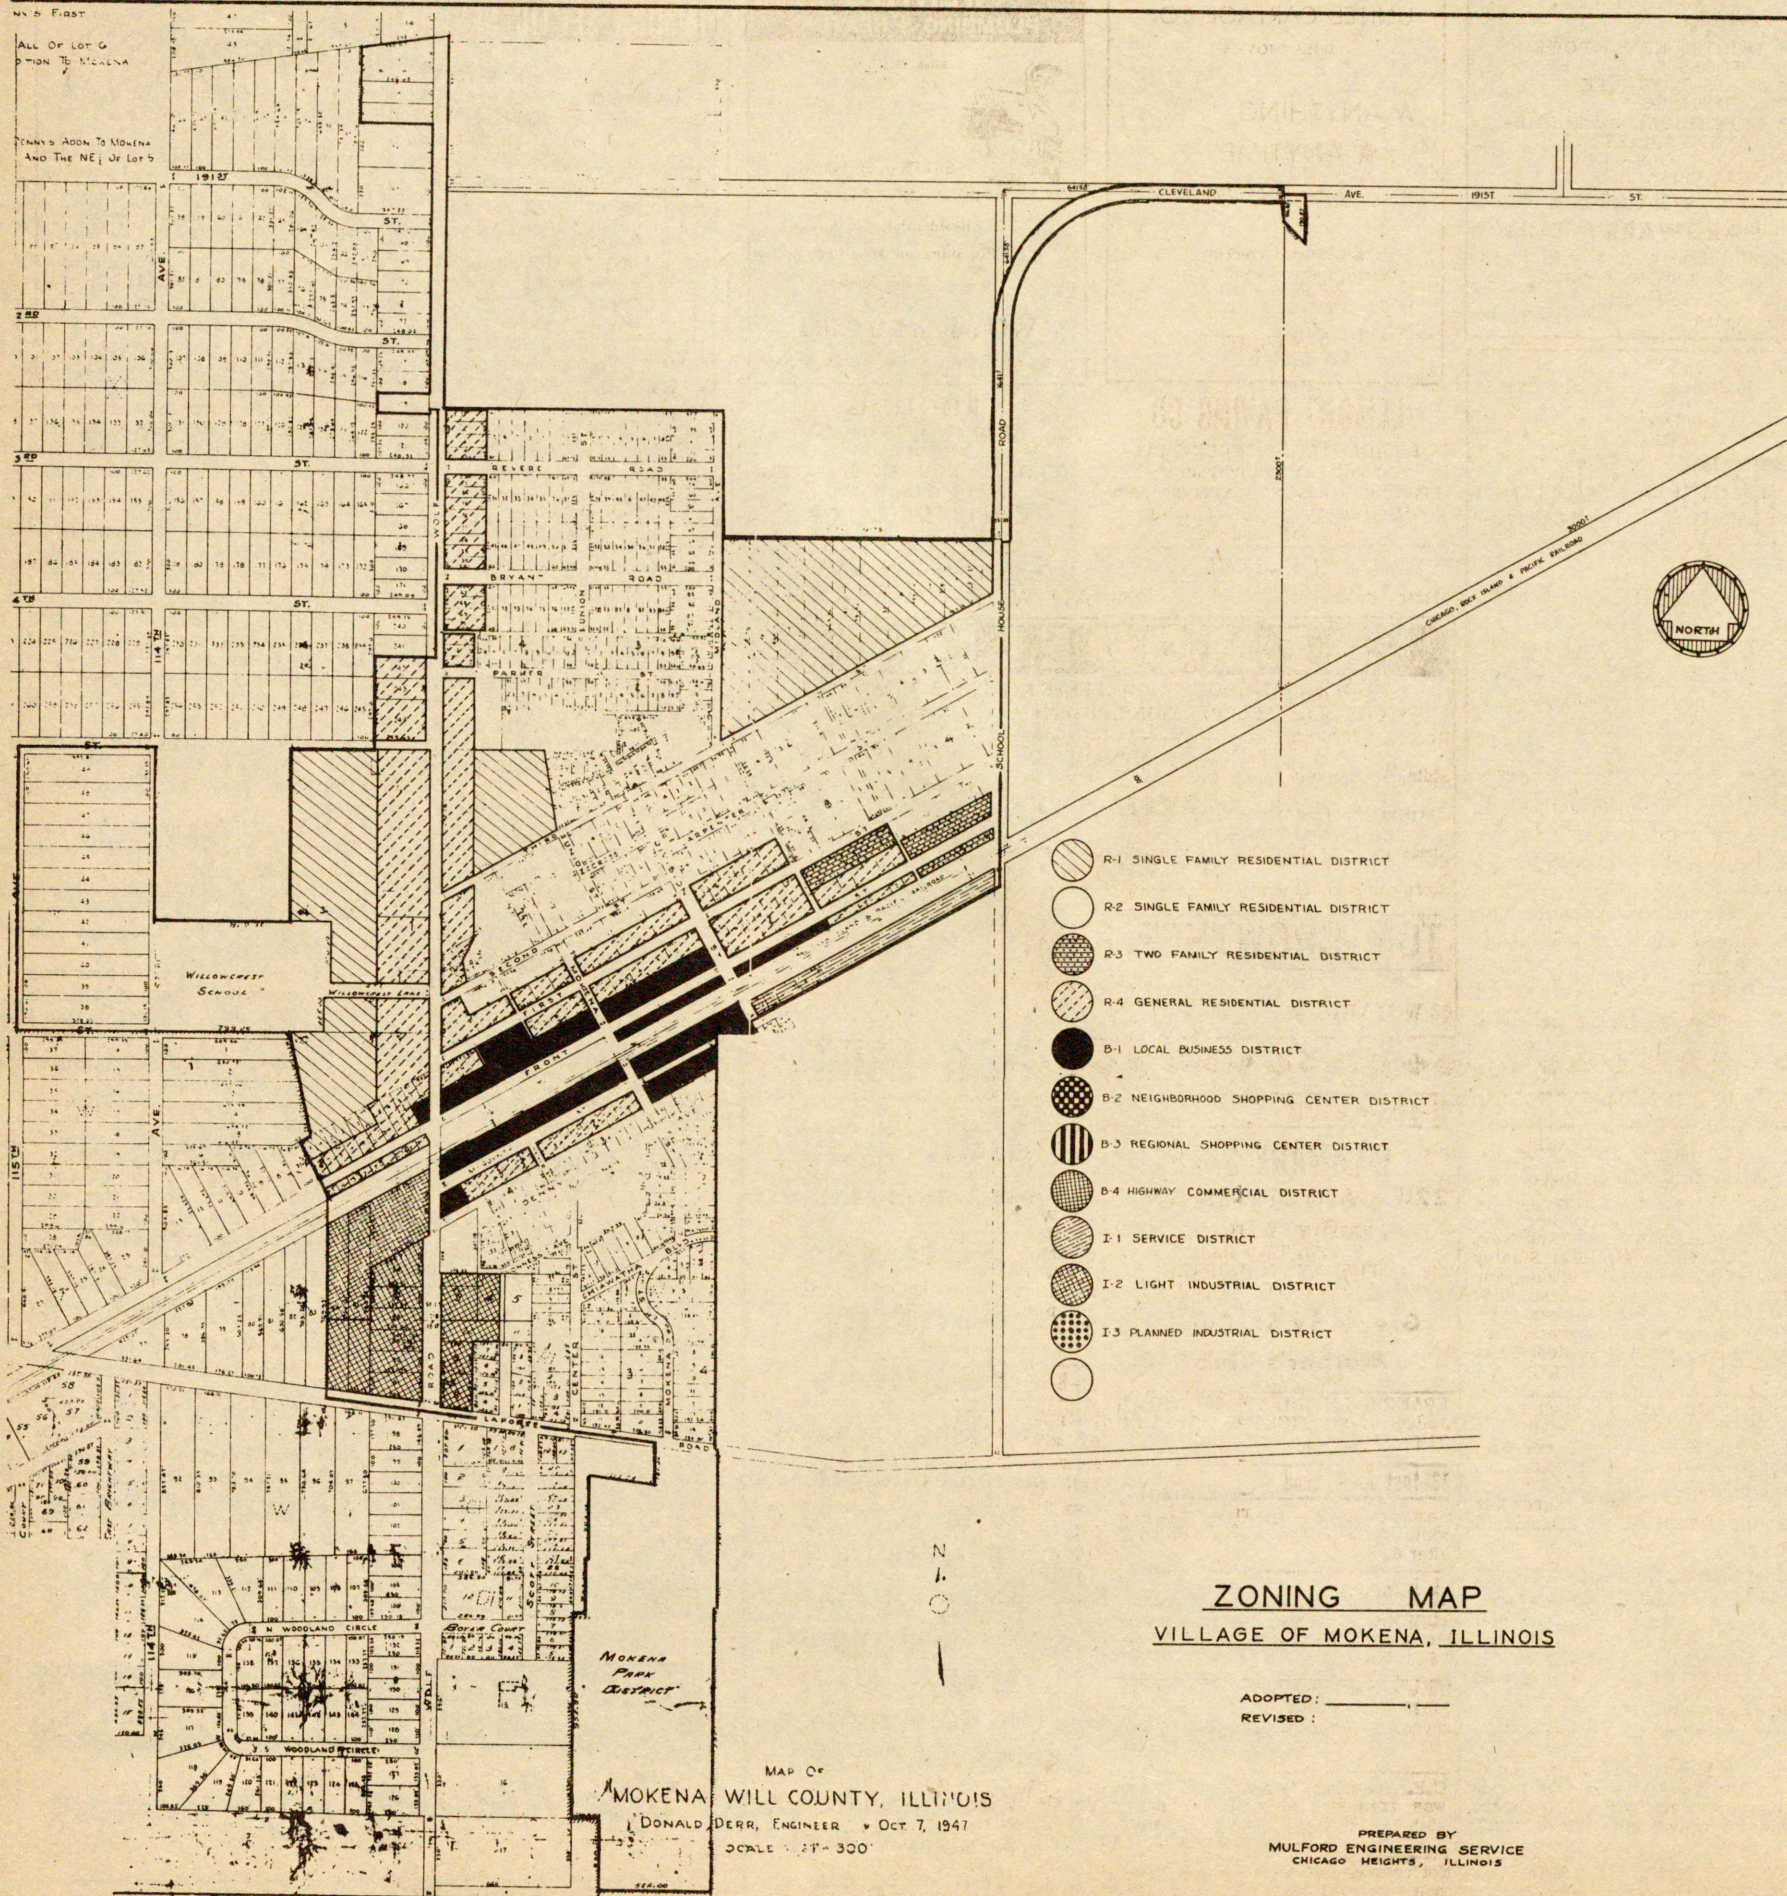

Donald F. "Dutch" Davis, district superintendent for Northern Illinois Gas Company, today announced that NI-Gas, in conjunction with the Illinois Jaycees, will sponsor a Community Development Forum for civic leaders throughout the state. The forum will be held in Bloomington on Thursday, March 19, at the Sinorak Smorgasbord, 1720 South Main.

Prominent experts in the field

of community development will discuss various subjects relating to planning and developing community and industrial facilities and programs. Thru this forum NI-Gas is hoping to provide community leaders with ideas concerning the improvement of their local betterment programs and Jaycees with the knowledge necessary to properly direct their chapters resources in the development area.

The utility will conduct this conference as part of its Area Industrial Development program (AID program), with emphasis on assisting communities by encouraging local informed preparedness and action.

The conference is open to the public and anyone desiring further information may contact H. J. Roth, NI-Gas manager of industrial development or State Jaycee Chairman, John Magglio, 2401 East Orchard, Bloomington, Ill.

Homer Murder Case Goes To Grand Jury March 16

A family argument between brother-in-laws ended in the death of one and the arrest of the other on a charge of murder. They slaying which took place last Thursday night (Feb. 27) in Homer township, has left six children fatherless. The eldest child is 10 years old. Dead of a gunshot wound in the head is James McNamara, 32, who worked for the American Bridge division of U. S. Steel at South Chicago.

Charged with his murder and bound over to the Will county grand jury scheduled to convene March 16, is Richard Freiheit, 34, who until last December had been living with the McNamaras. Since then he has had a variety of addresses. The McNamaras resided on 143rd st. and Dixon Lane.

Investigators say that Freiheit came to Homer township several months ago from California where he had served

four and a half years in a federal prison on a charge of stealing government checks out of the mail.

Last December he is said to have become abusive to his sister and James McNamara ordered him to leave and to stay away. Police say that Freiheit went to the emergency room at St. Joseph hospital last Dec. 26 to seek psychiatric help. A doctor there offered to arrange for it thru the Will county family guidance service but when Freiheit learned that considerable time would be required he is said to have run out of the room and did not return.

Last Thursday evening he is alleged to have called his sister by telephone. His brother-in-law picked up the extension phone when he learned the identity of the caller and told Freiheit to stop bothering them. Freiheit is alleged to have replied he was coming to the house

and would fight it out. The two men met in the driveway. Mrs. McNamara called state police at 9:25 p.m.

"Send help," she begged, "they are out fighting in back. I hope they will not kill one another."

Two of the McNamara children, Margaret, 10, and Joyce, 8, looking thru a window, saw the shot fired that killed their father.

Freiheit later told Joliet police, who arrested him shortly after 1 a.m. in a restaurant at 75 W. Jefferson that he had fired at McNamara's legs. He did not know until the next day that he had killed his brother-in-law.

Freiheit waived preliminary hearing and was bound over to the grand jury by Magistrate Martin Jackson of the Will county circuit court.
